

Costs for Design: Webpages

All of our web pages are 100% unique, with over 2 million licensed images and growing every day we can create and design your layout to your target audience, without even 'looking like' another page.

Our designers at Glacier Advertising will work with you to create the ultimate feel for your website. Please keep in mind that we do understand that you have a general idea what you want your website to look like, we will always give you advice on how to make it convert better, retain user clicks, or produce more leads. If you are not interested in our help or support we fully understand, however it is given with no extra cost to your site design!

Basic Page Includes: Fully Marketed to your target niche audience, 5 pages completely done (including content provided by you, edited to convert by us), licensed graphics including but not limited to charts, graphs, nav buttons, page dividers, icons, ect.

Page with Cart: Basic page plus integrated shopping cart for your products, no customization to the cart and you must already have your own web ready exchange portal or paypal account.

Cart & Custom: Basic page with shopping cart customized to your page and products, we will also include music or video of your choosing and help with any licensing of such media.
